

Recycling Appeal

1st Morden Scout Group

February 2007

Dear Parents/Guardians,

The Group still does recycling through the Recycling Appeal to raise much needed funds.

Millions of cartridges were thrown away last year alone - perhaps you discarded some yourself. The Group could benefit enormously if these cartridges, plus unwanted mobiles, came our way instead. The environment would benefit too, because dumped materials cause landfill pollution, and recycling saves raw materials and energy.

What we can recycle has changed significantly over the past year so here is an updated list.

We are able to recycle/re-use:

Mobile Phones inc chargers

Branded Toner Cartridges - e.g. HP, Lexmark, Sharp, and any other brand name etc

Aluminium Drinks Cans only

3/5 litre squash or bottled water containers with handles and lids

We are no longer able to recycle/re-use:

Recycled toner cartridges e.g. Nice Day toners

Paper

Food Cans

If you have any questions please contact Diana Cook (Assistant Cub Leader) on 07772 536 417.

Thank you in advance for your participation and support.

Yours in Scouting

Diana
